Details

The B&C WindProtek is a wind- and water-resistant fleece made of a unique breathable bonded fabric allowing minimal external air permeability and drastically reducing the effects of windchill and enhances your warmth and comfort. Elasticated cuffs and adjustable open hem offers enhanced protection.

The engineered middle weight fleece

- Windproof, waterproof & breathable bonded membrane
- High insulating protection
- Tone-on-tone full zip opening with zip pull
- Body fit
- Set in sleeves
- Inside full length windproof comfort placket (curved finish)
- 2 pockets with zips hidden in front panelling
- Elasticated cuffs
- Open hem with elasticated cord with 2 stoppers & easy to pull rings

Care instructions

All our products are tested and approved using all main print techniques.
