<b>Weight in g</b>	85g
<b>VPE</b> (pcs. per inner packaging / pcs. per outer packaging)	12/144
<b>measurements in cm</b>	<b>one size</b>
<b>height:</b>	20,00 cm

## Available colours

## Features

**Thinsulate**

Air molecules cling to the body. The more air a material stores in a certain space, the higher the insulation level will be. Microfibrils are much finer than other fibres. Therefore, they enclose more air within a smaller space thus offering a better insulation. The advantage: breathable, moisture-repellent and suited both for washing in the washing machine and for dry cleaning.
